

Junior / Graduate Graphic Designer (3 to 4 days per week) – Bristol based

Location: Bristol (BS7)

Start date: December 2020

Salary: £18,000 to £22,000 (pro-rata)

Hours: 9:30am till 6:00pm (working days TBC)

Calling all Bristol based creative graduates - we are looking for an innovative, hard-working and self-motivated individual to join our international team of designers and illustrators.

Garrett Creative is an independent design studio and creative start-up based at the Future Leap in Bristol; the UK's first carbon natural and sustainable business hub. We partner with forward thinking organisations and non-profits to support a range of design and creative activity across branding, web design, publication design, marketing and advertising.

Our clients include a diverse array of interesting businesses, ambitious entrepreneurs and disruptive start-ups. We also believe in using our creative skills to enable our heroes in the third sector; whether that's to support their fundraising campaigns, provide resources that they do not have internally or simply to help them bring about positive social change.

About the role

We are looking for an imaginative and technically competent designer, someone who can hit the ground running and deliver a range creative projects from day one. You will need a strong understanding of layout, typography and information hierarchies. Problem solving, visual communication and effective research skills are also required.

Your day to day activity will be varied, working alongside our Creative Director and other team members you will support and manage projects including brand design, website design, iconography, digital illustration, publication design and animation. You will also support copy writing, research projects, business marketing and other ad-hoc tasks associated with the wider creative industry.

Person specification (essential)

- A bachelor's degree (or equivalent qualification) in Graphic Design with a supporting portfolio that demonstrates your ability across a range of creative disciplines
- Experience across the Adobe Creative suite, ideally in a professional environment
- Advanced knowledge of InDesign, Photoshop and Illustrator
- An understanding of how to interrogate a creative brief and research effectively
- A keen eye for writing and the ability to generate professional copy
- Knowledge of print management and preparing artwork for print
- Able to work under pressure and meet tight deadlines
- A good understanding of word processors and spread sheets (Microsoft/Google)

Person specification (desirable)

- Knowledge of After Effects and Premier
- Experience of photography and video production

Personal attributes

- A positive 'can-do' attitude and strong work ethic
- Interpersonal skills and the ability to work in a team
- The ability to work independently and use your initiative
- The desire to learn and develop your creative/technical skills
- An interest in charitable work and social impact projects is also desirable

Salary and benefits

- Competitive salary and pension contributions
- 20 days holiday (pro-rata) + bank holidays
- Access to training materials tailored around your career development goals
- 1-2-1 mentoring with our team of experienced creatives
- Involvement in a range of interesting and challenging creative projects
- A fantastic working environment at the Future Leap Hub in Bristol, with complimentary hot drinks and discounts on an amazing range of food
- The opportunity to attend sustainable networking and educational events

Interview guidance and applications

We are following official guidelines regarding COVID19. First stage interviews will be conducted via video call, with face to face interviews (hopefully) taking place in the first and second weeks of December 2020.

To register your interest and apply for the role, please send your CV, covering letter and portfolio links to: careers@garrettcreative.co.uk

The closing date for applications is 30/11/2020.

Garrett Creative Ltd is an equal opportunities employer.

We will not accept applications from recruitment agencies.
